MEMORANDUM FOR: The Director

SUBJECT: Intelligence Support for the Voice of America with  
regard to Soviet Jamming

1. On July 21 we sent a circular memorandum to the members of the IAC enclosing a copy of a proposed memorandum to the Executive Secretary of the IEC on the above subject, with which was to be transmitted the Air Force's comments that came with their concurrence on the Ad Hoc Committee Report.

2. In paragraph 2 of that memorandum to the IAC, we stated: "If you have any comments thereon, kindly transmit them to me within a week." It is now two weeks since that memorandum was sent out. The FBI and the Navy have reported that it is satisfactory to them, and the JIC that it has no comment. On 31 July General Irwin wrote that he would like to withhold his remarks until after the AFAC meeting scheduled for August 2.

3. Although we have requested replies from the others twice by telephone, on 26 July and subsequently, we still have received no comments from AEC, Air Force and State. We understand that State is sending in some comments in a few days.
